Prayer.

At the beginning of the new workweek we look to You, God Our Creator, for guidance and direction as we struggle to make the right, just and honorable legislative and personal decisions and choices. In our role as community leaders, teach us to be good, patient but critical listeners to the concerns of constituents in our desire to serve the best interests of people and society in these changing times. Teach us to evaluate correctly all legislative proposals which come before us. Help us to build trust and confidence in our basic institutions, traditional principles and values and in each other.

Grant Your blessings to the Speaker, the members and employees of the House and their families. Amen.
